Dear Ron:

Thanks very much for your letter and article from The New York Time concerning the International Whitewater series.

It was an excellent article, and I appreciate your efforts in coordinating the arrangements to make it happen. I have received a lot of feed back from folks in our community and outside the area on how well received the article has been.

I would be pleased to be able to share any future opportunities to work with you concerning public relations items. Please don't hesitate to contact my office if there is ever anything that we can do to be of help.

Sincerely,

Joseph E. Kernan
Mayor
