Dear Ron:

Thank you for sending me a copy of the recent article that appeared in The New York Times on the East Raceway. Items such as this can prove to be an invaluable tool in the economic development of South Bend, and I commend whomever was responsible for making this free "advertising" possible. As you are aware, the University of Notre Dame exerts much effort in trying to get information about our accomplishments (especially academic ones) published in such prestigious newspapers. As a result, I have some awareness of how much effort goes into such accomplishments. Congratulations on a job extremely well done.

With all best wishes.

Sincerely,

E. William Beauchamp, C.S.C.
