

Meet your board-certified orthopedic surgeon...

# Anton A. Thompkins, MD

**EDUCATION:** BS, Biology, Depauw University, Greencastle, IN; MD, University of Cincinnati College of Medicine

**RESIDENCY:** Orthopedic Surgery, Indiana University Medical Center, Indianapolis, IN

**FELLOWSHIP:** Spine, Panorama Orthopedics, Denver, CO

**BOARD CERTIFICATION:** American Board of Orthopedic Surgery

**MEMBERSHIPS:** American Academy of Orthopedic Surgeons, J. Robert Gladden Orthopedic Society, Indiana State Medical Association, Indiana Orthopedic Society, Porter County Medical Society

"I'm a native of Indiana with a strong interest in spinal pathology, which led me to spend an additional year of training in a spine fellowship in Denver, CO. This experience has afforded me the opportunity to be trained in the most recent advancements in spinal care. My practice focuses on simple and complex spinal problems of the cervical, thoracic and lumbar spine. Outside work, I enjoy golfing, boating and soccer. I continue to be an avid soccer player."
